

Tylö sauna door DGB

New sauna doors for the price conscious mind.

Tylö sauna door DGB is a brand new series of simpler quality sauna doors from Tylö with a lower price. The DGB-sauna doors are based on accepted measures within the door industry (see decimetre measures below). For frame size measure decrease below dimensions with 10 mm (i.e. 690 x 1890 mm for the 7 x 19 door).

The DGB door is available in either tinted glass or clear glass and has an 8 mm safety glass. The frame (92 mm) is made of pine and has a silicone sealing strip. The door handle is made of aspen and is equipped with a magnetic catch. The door hinges are solid and made of aluminium with a cover made in stainless steel.
